Using the MU Password Portal

Navigate to the Password Portal Page

Start by going to the MU Homepage.

www.millersville.edu

At the top of the page, click on the Faculty & Staff link.

Next, click on myAccount@MU in the lower left:

(see illustration 1)

On the following page click the gold myAccount@MU icon on the right:

(see illustration 2)
Using the MU Password Portal

Log into the Portal

Log in with your Outlook / Mu_Domain credentials.
(see illustration 3)
Set up your Security Questions:

After successfully logging in you may see a popup that requires the creation of your security questions. This is a link to the Security Questions page.

Skip to page 5 if your questions are already set up.

Rely on Illustration 4 for the next step

- If you ever forget your answers (see below), you can return to this page at any time to reset your security questions and answer by logging into the portal and clicking the Enrollment tab.
Select a security question of your liking:
*(see illustration 6)*

(Illustration 6)

Create an answer to your security question.
Answers are case sensitive.

Repeat for question 2.

Click Enroll to complete the process.
Change your Password

Switch to the Change Password Screen by clicking on the “Change Password” tab. *(see Illustration 8)*

(Illustration 8)

Enter your old (current) password in the appropriate box.

Create a new password and enter it in the remaining 2 boxes.

**Note the requirements indicated.** Passwords must contain 3 of the following 4 characteristics:

- Numerals
- Upper case characters
- Lower case characters
- Special characters

In addition, passwords must not contain a significant portion of the user name and must vary from the last 3 passwords by at least 3 characters.

**Click OK to save your new password.**
After changing your password, we recommend you reboot your office computer. Do not simply log off. This will insure that any shared folders remain accessible.

The password change will affect:

- Wireless access
- Outlook
- Desire2Learn
- MyVille
- Hershey / Singularity

Not Affected:

- Banner

- Network Login (MU_Domain only)
  - Office
  - Labs
  - Classrooms
  - Cascade

- Hyperion / Brio
