iOS instructions (iPhone/iPad)

Following the email system update the weekend of January 10-12 all iOS devices (iPhones/iPads) will require a settings modification to continue to work with the campus Exchange system (including email and calendaring).

1. Launch the Settings app on your device.
2. Open Mail, Contacts, Calendars
3. Select your MU Email account
4. Click on the Account
5. Make the following settings changes (pictured below):

   Server: mail.millersville.edu
   Domain: muad

Email: Josh.Hartranft@millersville....
Server: mail.millersville.edu
Domain: muad
Username: jhartranft
Password: **********
Description: MU Email
Advanced Settings

Please report any problems to the Help Desk x2371
