Safety AT YOUR Fingertips

LiveSafe is a mobile safety app that enables the Millersville University community to easily connect with police.

- **Get safety alerts**
  Receive important, timely alerts from MU Police.

- **Use location sharing in an emergency**
  MU Police can see where you are in an emergency situation, allowing faster response times.

- **Get home safely, and help your friends**
  Use SafeWalk to virtually walk your friends home by watching them move along a map.

- **Share info with MU Police**
  Submit safety info and concerns. Attach a photo, video, or audio file. Send anonymously if you choose.

- **Know what's around you**
  Use the Safety Map to see pertinent safety locations and nearby incidents.

- **Access MU resources**
  Have fast access to important information and resources, including phone numbers and emergency procedures.

Download the MU LiveSafe app
Download “LiveSafe” and sign up with your email. Enable location services & push notifications when prompted. Create a password and fill in your name. Search for “Millersville University” to select it as your organization.
Theft is a Crime WE most often can prevent
Always lock your office when away and car doors.
Protect your valuables
- Do not bring unnecessary valuables to campus
- Store valuables in a locked area or simply don’t bring them to work.
Active Shooters

RUN > HIDE > FIGHT
SURVIVING AN ACTIVE SHOOTER EVENT
Parking

- Parking is free for employees.
- While you can park in white student spaces, please make every effort to park in employee designated (yellow) spaces.
- Gordinier staff can assist to alleviate issues in the McComsey lot by parking behind the SMC.
- Parking is open after 4:00 pm and on weekends other than H/P and reserved spaces.
