Vendor Presentation
Sony is coming to Millersville on Wednesday, October 11, 2017 to demonstrate the latest in classroom technology with a primary focus on Active Learning, PTZ cameras, Projectors and Display products. Check out their products at: https://pro.sony.com/bbsc/ssr/mkt-education/resource.know.bbsccms-assets-mkt-edu-things.know.EduRoadShow2017.shtml
The demo will be in McNairy 118 between 11:00 AM and 1:30 PM. All are welcome!

IT Systems Status Report
Have you checked our live report at http://status.millersville.edu? It will tell you if a system is down or under maintenance. The “StatusPage” icon is also located on the myVille Logins page. Most importantly, since this report resides in the cloud, it can be accessed even if the campus internet is down.

Project Update

Tenure Electronic Application Process
• The programming is completed and a pilot program is currently being initiated.

Curriculum Review
• The new CAP is being fully utilized by many faculty members. Currently there has been 1 proposal completed, there are 18+ proposals in the works, and over 100 drafts. If you would like to find out more about this system please go to: http://www.millersville.edu/assocprovost/UGcurrchange.php

Help Desk

Get Help online and submit/track Help Desk Tickets through our easy to use self-service portal. mville.us/help
