For their site. Previously attended CASCADE training, but would like instruction for sizing images assistance and suggestions. Photoshop training is also available to those who have workshop to spend one need some additional help to manage their sites. Take advantage of this one being offered to those who have previously attended CASCADE training, but feel they CASCADE trainings are still available. In addition, CASCADE Workshops are currently your departmental pages current.

Website Redesign
The website is looking great. However, we need your help in updating and keeping your return to the campus.

If you are in a sensitive area which is not accessible activate them and remove your current NEC phones. IT will be working during the fall break weekend to staging new phones on your desk beginning the week make this is a smooth transition, IT personnel will be campus community over the fall break. However, to make sure you are transitioning your staff and worked to fall in September.

New Phones
We are on schedule to provide new phones to the campus community over the fall break. However, to make sure you are transitioning your staff and worked to fall in September.

NEW PHONES
New phones will begin being available to the campus community fall semester. Please do not plug these new phones in to be migrated over the phone. Full user testing is required to make sure you are transitioning your staff and worked to fall in September.

Installation in Progress:
Wickersham, Breidenstine, Brossman, Gerhart, VPAC, and Stayer
Completed:
McComsey, McComsey, Caputo, Osburn, Roddy, Hash/Bassler, Luek, Pucillo and Ware

Over the summer all of the classrooms in the West Center and Stayer were upgraded to the latest classroom technology. In addition, the lab in subd in 103 was also upgraded.

All IT staff members display their university identification cards on lanyards or belt clips. Please feel free to ask them for identification if they are working in your offices. Staff members can be verified by using People Finder on the web. Student workers can be verified by calling the Help Desk at X-7777.

GET HELP online and submit/track Help Desk Tickets through our easy to use self service portal.

Office 365 Email is coming soon. All mailboxes will be migrated over the Fall and Winter sessions beginning with Students. This will provide web access to the newest version of Outlook online and increase mailbox sizes from 2GB to 50GB.

For more information and help guides: Click Here and just select the application you'd like more info on.

Academic Building Wireless
If you are having trouble logging on, please call the Help Desk at X-7777. Since we are installing new equipment with the latest technology, older devices may not be able to connect. However, we may be able to adjust your settings or adjust the access point to nearest your trouble spot. Just let us know!

Here is the latest update:
• Compton Hall, Ingersoll Hall, Leeman Hall, and one time with a CASCADE administrator who can provide assistance and suggestions. Photoshop training is also available to those who have previously attended CASCADE training, but would like instruction for sizing images for their site.

Click Here to register for any of these training offerings:

D2L Support
24/7 support for our students and staff is now available! Accessible 365 days a year, this service will assist our online students and staff during those times when the MU Help Desk is closed.

Banner 8
Banner 8 will be decommissioned October 31, so make sure you are transitioning your staff and worked to fall in September.
