Connecting to Marauder – MAC Device

1. Log into your computer

2. Click on the Network icon on the taskbar:

3. Select the Marauder network:

4. A security will pop-up. Enter your MU email address for the username and your regular MU password. Click Join.

5. A webpage will automatically open. If you have the correct security settings on your laptop already, you will be granted network access. **If you see the below message**, close your browser, and open a window in Chrome or Firefox to continue connecting.
