Scheduled Turnitin Maintenance - Sat, Mar 5

Due to scheduled maintenance by technicians at the Turnitin company, Turnitin services—including Plagiarism Detection and GradeMark—may be intermittently unavailable from 10:00 a.m. to 2:00 p.m. Eastern on Saturday, March 5. This will affect the Turnitin portions of the Dropbox tool in D2L.

Instructors: Turnitin recommend you schedule Dropbox assignments to end either before or several hours after the maintenance period.

Within D2L only the Dropbox tool, and more specifically the Turnitin-enhanced portions of it, will be affected by this Turnitin maintenance. Other parts of D2L will not be affected.
