11/2/12  Why does myVILLE mail keep logging me out?

Even though you are working on a lab computer, select “This is a private computer” and the server will allow a longer period of inactivity before signing you out.

10/11/12  Marauder is gone...

8/22/12 How to Access the New Student Email

On September 4, 2012 the new myVILLE Mail will be available. Look for the new myVILLE Mail logo.

Enter your myVILLE username and password into the Outlook Web App. This will be the same myVILLE username and password that existed for your Marauder Mail. Please note that if you select “This is a private computer” you will continue to be logged in after you close the Outlook Web App. Within the Outlook Web App will be Outlook Help - just look for the question mark.

For more detailed information please see the following link from Microsoft on getting started with Outlook Web App.

Work Smart: Outlook Web App

Please call our Help Desk with any questions you might have at (717) 871-7777.

Keep It Green...Save trees and make this message go viral instead.
Enter your myVILLE username and password.

Same myVILLE username and password from Marauder Email

Please note: If you select “This is a private computer” you will continue to be logged in after you close the Outlook Web App.

8/14/12 - Exciting News!

The NEW Outlook Student email will be available starting September 4, 2012. All emails sent prior to September 4, 2012 will be delivered to your Marauder Mail account. Starting on September 4, all emails will be delivered to your NEW Outlook Student email. Students will have between September 4 and October 5 to forward any emails and contacts from the Marauder Mail system to the Outlook email system.

Check back August 22 for information on how to access your new email account.

Faculty and Staff have been notified about this exciting new Student email solution!

We will continue to provide updates. Thanks for your patience during this transition.
NEW!

Student Email is Changing!

- Marauder Email is being replaced with Outlook Web Email
- Your myVILLE ID and password will stay the same, but the extension will change to @millersville.edu
- Example: jsmith@marauder.millersville.edu will now be jsmith@millersville.edu
- Available for Fall 2012 Semester
- Check link for details: https://wiki.millersville.edu/display/ltac/Student+Email

myVILLE ID @millersville.edu

What do I need to do?
1. Check your Marauder email when you arrive for the Fall Semester
2. Move any important email and any contacts you would like to retain to your new email account
3. Inform your contacts of your new email address
4. Update any non-Millersville web services that use the Marauder address (e.g. Facebook, etc.)
5. Call the Help Desk with questions or concerns (717-871-7777)
6. Start using your new email

New Email Features
- Increased mail box size
- Outlook Web Email to access email, calendars, contacts, tasks, and documents
- Enhanced accessibility for mobile devices, send and receive on Android and iOS devices
- Ability to forward email to another account
