HTML Editor

- When you make changes using the editor at Content, Discussions, or Assignments and attempt to navigate away or close the browser or tab without saving your changes, a message will now prompt you to discard your changes or resume editing.

Quizzes

- Instructors can now shuffle the order of all questions in quizzes or specific groups of questions (sections) in quizzes. For example, an instructor could shuffle questions 1-10 in a quiz, or shuffle questions 3-10 (grouping those questions into a section) and retain the order of questions 1-2 at the start of the quiz.
