- Must be sponsored by a full-time Millersville employee
- Must read and agree to the University Responsible Use of Information Technology Resources policy.

Key Features

- For use in all labs except Student Memorial Center (SMC)
- Lab / internet service through the "Millersville" domain
- Wireless service throughout campus

Getting Started

Sponsoring a Guest

In order to sponsor a guest, please contact the Help Desk at (717) 871-7777 and be sure to have the following information on hand:

- Name of guest
- Intended length of time to use the guest account
  - If the account requires more than one date, please include each date needed
- Purpose for the guest account
- Location where the guest account will be used.

Online Help & Resources

If you already have a guest account but are unable to login, or have forgotten components of, your guest account, please contact the Help Desk (x7777) or submit a Help request.
