What happens when I am not logged in to my phone?

All calls destined for your extension will immediately go to voicemail.

Can someone leave a voicemail on the hot desk phones?

No. There is no voicemail associated with the hot desk phone.

Is there any way to tell that a phone is "logged in"?

There are no visual cues that a phone is logged in. You will have to press the hotdesk button to see if someone is logged in.

Does the phone still work when not logged in?

Yes. However, if someone tries to contact your direct extension they will immediately go to your voicemail.
