Off Campus

OPTIONS:

1. OnBase Unity - Windows based client for on-campus usage. MU Faculty and Staff can remote into their campus machines to access OnBase Unity client.

2. iPad App – if you are a Mac user, or cannot remote into your PC on Campus.

3. VMWare client will give you access to a Windows desktop that has OnBase Unity preinstalled. Call help desk to set this up at (717) 871-7777.

4. Web Client - Use Internet Explorer 9, 10, 11 or Safari 5.1.10+, 6.0.5+, 6.2.0+, 7.1.0+, 8.0.0+, (NOT Safari 9)
