Marauder Guest Wireless Instructions

Wireless is available in all classroom and office buildings. Gordinier has wireless service in both the Student Dining area and the upstairs conference center.

Any guests who need access to wireless may use the Marauder Guest wireless network. Guests will need to register for an account by following the instructions below.

Guest accounts expire after 24 hours, at which time guests will be required to re-register

How to register for a Guest Account:

1. Select “Guest Access”
