Scheduled Resources Site Downtime - Sun., Dec. 30

The Desire2Learn Resources site will be unavailable from 5 a.m. to 5:30 a.m. Eastern on Sunday, December 30. This scheduled downtime will allow Information Technologies staff to perform necessary maintenance on the wiki server that powers the Desire2Learn Resources site.

Desire2Learn itself will remain available during the Resources site downtime; however, as the Resources site houses the big, green, "Desire2Learn Login" button, your standard path to the Desire2Learn server will be disrupted. Users who are logged in to Desire2Learn prior to 5 a.m. on Sunday, December 30, will be able to continue using Desire2Learn without interruption.
