Creating a New Blog

Creating a Blog

1. Log in to your account at https://blogs.millersville.edu.

   If this is your first time logging in, just sign in using the username and password you use for myVILLE. An account will automatically be created for you when you log in.

2. Navigate to the site creation page.
   1. **If you have one or more blogs:**
      1. Click the **My Sites** menu option from the top menu bar.

2. Click the **Add New** button to create a new site.

2. **If this is your first blog:**
   1. Click the **Sites** menu option from the left sidebar.
2. Click the **Create a Site** link from the Sites page.

3. On the ‘Create a Site’ page, enter the **Site Name** (URL) and **Title** of your new blog (site).

4. Click **Create Site** to create your new blog (site).
