Email Overview

Overview
All current students, faculty, and staff are eligible for e-mail accounts.

Requirements
- Available to: Students, Faculty, Staff, Departments
- To access Millersville e-mail services, an e-mail account is required (see Accounts & Access).

Key Features
- **Flexibility** — access your e-mail through a web browser, mobile device, or desktop client.
- **Security and support** — Millersville accounts receive automatic spam filtering, deleted message recovery, and comprehensive online support.
- Web-based access to e-mail
- Mailing lists (including centrally maintained course lists for faculty)

Getting Started
- Once you have set up an e-mail account as outlined at Accounts & Access, follow the instructions to access your mail
