Wireless Connection Guide

STEP 1: Make sure you have an account

You will need a Millersville login name and password in order to connect to the Marauder network. (This is the same login/password combination you may already be using to read e-mail or access the my’Ville portal)

STEP 2: Connect to the “Marauder” network

Make sure your wireless adapter is turned on. Check for a switch or hot key combination as detailed in your laptop owner's manual.

Please proceed to the section that covers your laptop’s Windows or Mac Operating System:

- Windows 7/10
- Mac OS X

To connect mobile devices, please choose from the following:

- IPhone/IPad
- Android

Troubleshooting

Additional troubleshooting information can be found at the Wireless FAQ's page.
