</table>
| **Android Tablet** | Tablets running:  
  - Android (newest)  
  - Android 4.4 (KitKat) or newer |
| **Apple iPad**    | iPads or iPad Minis running:  
  - iOS 8.1 or newer |

Can I use Assignment Grader with my Android phone?

Assignment Grader is designed for tablets. It may be installed on some phones, particularly on phones with large screens, but the app works best on tablets.

Can I use Assignment Grader with my iPhone or iPod Touch?

No. Assignment Grader is designed for tablet devices, so the app is not available for iPhone or iPod Touch.
