Getting an access code for Turnitin Feedback Studio mobile app

How do I get an access code for use in the Turnitin Feedback Studio mobile app?

These instructions assume you have already **logged in to D2L** and **entered the course** in which you wish to work.

1. In a standard, desktop web browser, click through from your D2L class to the regular, web-based Turnitin Feedback Studio.
2. In Turnitin Feedback Studio:
   1. Click the "Submission Information" button.
   2. In the Info window that appears:
      1. Click the "Generate Code" button.
      2. Write down, copy, or otherwise record the access code someplace where you will be able to find it again.
