Getting an access code for Turnitin Feedback Studio mobile app

How do I get an access code for use in the Turnitin Feedback Studio mobile app?

1. In a standard, desktop web browser, click through from your D2L class to the regular, web-based Turnitin Feedback Studio.
2. In Turnitin Feedback Studio:
   a. Click the "Submission Information" button.
   b. In the Info window that appears:
      i. Click the "Generate Code" button.
      ii. Write down, copy, or otherwise record the access code someplace where you will be able to find it again.

These instructions assume you have already logged in to D2L and entered the course in which you wish to work.
