iClicker syllabus examples

iClicker Syllabus Examples

**iClicker Syllabus Template**

[Click here to download](#) *(Word Document)*

**Edit the bold red text**

I will be using the iClicker student response system in class this term. iClicker helps me to understand what you know and gives everyone a chance to participate in class. I use iClicker to keep track of attendance; please see the attendance policy on page (#) of the syllabus. Participation with iClicker will account for (**x% of your final grade**). I will drop (#) of the lowest scores to account for times you forget to bring your clicker to class.

You may purchase one of the following models:

iClicker 2

**How to register:**

To receive credit for the responses you submit with iClicker, you must register by the drop/add deadline, *(Date)*. Students who register after this time will not receive credit. Click [here](https://wiki.millersville.edu/x/YYmGAg) for a guide on student remote registration.

**Register your clicker within our Learning Management System (D2L)**

You must register your clicker within D2L. Do not register your clicker on iclicker.com. If you do, I will not be able to match your responses with your name and you will not receive credit.

**Cheating**

I consider bringing a fellow student's iClicker to class to be cheating and a violation of the University Honor Code. If you are caught with a remote other than your own or have votes in a class that you did not attend, you will forfeit all clicker points and may face additional disciplinary action.
