

Populating the address book

How may I have the address book list existing D2L users?

These instructions assume you have already [logged in to D2L](#).

1. Click on "Communication" in the navigation bar.
2. Select "Email" from the menu that opens.
3. Click the "Settings" button.
4. Check the box next to "Show external email addresses in the Address Book".
5. Click the "Save" button.
