Restoring dismissed announcements
I dismissed an announcements. How can I restore it?

These instructions assume you have already logged in to D2L.

1. On the "My Home" page, click "Communication" in the navigation bar.
2. Select "Announcements" from the menu that opens.
3. Locate the announcements you dismissed by scrolling through, or searching, the full list of announcements.
4. Click the down arrow button for the announcement you wish to bring back.
5. Select "Restore" from the menu that opens.
