## Millersville University Campus

### The President’s Commission on Gender and Sexual Diversity
The Millersville University President’s Commission on Gender and Sexual Diversity (PCGSD) is to foster a university climate that promotes equity, inclusion, and affirmation for persons who are sexually and gender diverse (e.g.) are or are perceived to be lesbian, gay, bi-sexual, transgender/transsexual, questioning/queer, intersex, allies/androgynous/asexual (LGBTQIA), etc.). The Commission actively supports policies, practices, and programs that pursue this goal for students, staff, faculty, administrators and the general public with respect to sexual orientation, gender identity and gender expression.
