Username and password for guests
What is my D2L username and password? How do I change or reset my password?

Username and Password
Your username will be provided to you. In most cases, your username will be your first initial and your full last name plus the characters "-g".

Example:

- John F. Stoddard would have the username jstoddard-g.

Before you can access your D2L account for the first time, you will need to set your own password using the link below.

Changing or Resetting Your Password
Please use D2L’s "Forgot Your Password?" feature to change or reset your password.

Logging In
On the D2L login page, follow the “Guest Login” link.

For more information on logging in to D2L, please see: Logging in
