Supported devices for Binder

With which devices and web browsers can I use Binder?

Supported Devices

Please check the appropriate section below based upon your device type: Android devices, iPad, or web browser.

### Android Devices

Tablets or phones running:
- Android (newest)
- Android 4.0.3 (Ice Cream Sandwich) or newer

### Apple iPads

iPads or iPad Minis running:
- iOS 8 or newer

### Web Browsers

- Chrome (newest version)
- Firefox (newest version)
- Internet Explorer 10 or newer

Can I use Binder with my iPhone or iPod Touch?

No. Binder is designed for tablet devices, so the Binder app is not available for iPhone or iPod Touch.

Can I use Binder for Web in my tablet's or my smartphone's web browser?

No. Binder for Web is designed for desktop and notebook computers.
