Adding a web page to a reading list

How do I add a web page to a reading list?

These instructions assume you have already logged in to D2L and entered the course in which you wish to work.

1. Navigate within the course to the location of the reading list link.
2. Click the reading list link.
3. If a "Click for Readings" button appears, click that button.
4. In the Search page that opens in a new window or tab:
   a. Click the "See Current Reading List" link near the top of the page.
   b. Locate the "Add Web Resource" section of the page.
   c. In the URL box, type or paste the link to the web page. The link must begin with "http://" or "https://".
   d. In the Title box, type the name of the web page.
   e. Click "Add to Reading List".
5. Return to D2L by closing the Search window or tab.
