Printing from Binder for iPad

How can I print from Binder for iPad?

Binder for iPad can print only to AirPrint printers.

1. While viewing the item you wish to print, tap the share icon in the lower left corner of the Binder for iPad screen.
2. In the Export menu that opens, tap "Print".
3. In the Printer Options menu that opens:
   a. If you want to print more than one copy, tap "+" icon to increase the number of copies that Binder will print.
   b. If you do not want to print all the pages of the document:
      i. Tap "All Pages".
      ii. In the Page Range menu that opens, choose the first and last page to print.
   c. Tap "Select Printer".
   d. In the Printer menu that opens, tap the printer to which you want to print.
