Student Presentations

Provide your students with instructions to:

1. **Schedule a Zoom meeting.**
2. Share a link to their Zoom meeting with all their expected audience members.
   - Students can send email from their D2L course classlist and include the meeting link in the email.
3. Host their live, synchronous session at the scheduled time.
   - Record their live performance or presentation for sharing with you or others later, after the session ends.
   - Use their microphone, their webcam, and Zoom's screen sharing capabilities as needed during their performance or presentation.
4. Share their recording link with you or others, as appropriate.

**FERPA Reminder**

FERPA regulations prohibit any type of “posting” of student grades where others have access to them. This applies even if a unique, non-identifying number is used to “mask” each student. Also, grades should never be posted on a non-University approved source such as Google Docs or sent within a list of grades via a mass email. If you have any questions regarding the FERPA requirements, please contact Registrar Alison Hutchinson.
