Respondus

Respondus 4.0

Respondus 4.0 converts question banks, including many of those provided by textbook publishers, to a format appropriate to D2L and uploads the converted test banks into D2L courses.

- Downloading Respondus
- Exporting from Respondus for upload
- Obtaining the Respondus password

Millersville University has licensed only Respondus 4.0. Other Respondus products, including LockDown Browser, Monitor, and StudyMate, are not available at Millersville.
