Sharing a Zoom recording

How do I share a recording of a Zoom meeting?

1. Go to the Zoom site.
2. Click Manage.
3. Log in if prompted.
4. In the left column, click Recordings.
5. In the right column, on the Cloud Recordings tab, locate the recording you wish to share.
6. Click the Share button for that recording.
7. Click the Copy To Clipboard button.
8. Go to where you wish to share the recording: within a D2L course, in an email message, etc.
9. Paste the recording information and link.

1. Click on “Resource” in the navigation bar.
2. Select “Content” from the menu that opens.
3. Open up the Module or Week you want to insert the link into and select Upload > Create a link.

4. Input a Title and paste the share link in the URL dialogue boxes and check the box “Open as an External resource” as seen below and click ‘Create.’
