# Technology Enhanced Learning Spaces

## Technology Enhanced Learning Spaces at a glance

| Description: | The learning spaces throughout Millersville's campus provide technologically leveraged instruction and learning opportunities. |
| Service availability: | Learning spaces for regularly scheduled courses are reserved through the Registrar's office. For scheduling events, please utilize Astra. To obtain keys to the equipment, please refer to this guide. |
| Training and support: | For immediate classroom issues please dial 717-871-7280. For training requests, please contact the Helpdesk at (717) 871-7777 or email help@millersville.edu to schedule an appointment with the I&TS team. |
