Restoring a deleted discussions forum or topic

How do I restore a deleted forum or topic?

These instructions assume you have already logged in to D2L and entered the course in which you wish to work.

1. Click on "Communication" in the navigation bar.
2. Select "Discussions" from the menu that opens.
3. Click the "More Actions" button.
4. Select "Restore" from the menu that opens.
5. On the "Restore Forums and Topics" page that opens:
   a. Locate the forum or topic you wish to restore.
   b. Click the "Restore" button for that forum or topic.
   c. If you have chosen to restore a:
      - **Forum**: D2L will display a Restore Topics window.
        i. For each topic you do wish to restore along with the parent forum, make sure the box for that topic is checked.
        ii. Click the "Restore" button.
      - **Topic**: D2L will display a Confirmation window.
        i. Click the "Restore Topic and Forum" button.
