MU Video - Quick Guide - Channels

MU Video Quick Guide: Channels

NOTE: Only Instructors can create Channels

These directions presume that you have successfully logged into your MU Video account.

How to Create a Channel:

1. Go to My Channels on your user menu.
2. Click
3. Name, describe and tag channel.
4. Set privacy type for Channel. (See chart for access details)

Channels do not have to be assigned to Categories. However assigning to appropriate Categories will make your Channel easier to find for users.

Add Media to Channels (Content):

1. Go to on your user menu.
2. Select desired Channel.
3. 
4. 
5. NOTE: Description and Tag fields must be filled in to publish Media. If they are not filled in you will be prompted to Edit. Then repeat steps 3-5.

For an alternate way to add Media from My Media pages, see "Quick Guide: Publishing"

Moderate content:

1. Go to Channel
2. If then there is no Media awaiting approval.
3. If Media awaiting approval then click to see Media awaiting approval.

4. Review media and then click Approve or Reject.

Add Members to a Restricted or Private Channel

1. Go to Channel

2. 

3. 

4. 

5. Search for MU user and set permission for that user. (See chart below)

   ![Add Member](image)

   Begin typing user name. Suggested user names will appear. Choose correct user. NOTE: Users must log into MU Video at least once to activate their accounts before you can locate and add them as members. Only MU users may be added as members in MU Video.

   You may select different permissions for each individual user.

6. 

7. Click Add.

8. Repeat for each user you wish to add as a member.
