Student Representation, Recruitment & Retention Action Team

Statement of Purpose: The purpose of the Student Representation, Recruitment and Retention Action Team is to hold the university accountable for the recruitment and retention of students of color. In particular, we aim to ensure that in state students of color remain a priority of the University in terms of recruitment, academic and social support, and successful degree completion.

Objectives:

- Increase learning opportunities to interact with an increasingly diverse world.
- Support the expansion of immersion experiences for students to connect cross-culturally and globally.
- Promote opportunities leading to active citizenship, social responsibility and life-long learning.
- Support the expansion and enhancement of academic programs specifically focused on underrepresented populations.
- Support enrollment management strategies designed to ensure the success of all students.
- Support increased enrollment of international students.
- Support development of systematic and thorough understanding of the support needs of under-prepared or at risk students and advocate for interventions to meet those needs.
