Deleting a Blog

Once you delete your site it cannot be recovered so proceed only if you want to permanently remove your site.

1. Log in to your account at https://blogs.millersville.edu.
2. Go to My Sites -> Site name that you want to delete -> Dashboard.
3. Go to Tools -> Delete Site.
4. Check the box to confirm you want to permanently delete your site and click Delete My Site Permanently to remove your site.
Delete Site

- Switch back to Kimberlyn Broskie (kbroskie).

If you do not want to use your Blogs @ Millersville University site any more, you can delete it using the form link to delete your site.

Remember, once deleted your site cannot be restored.

I'm sure I want to permanently disable my site, and I am aware I can never get it back or use blogs.msu.
