Password Reset or Forgot my password

FAQs

How do I get my usernames and passwords?

- Typically you will receive your “M#” from the HR office. You may receive your Outlook email address and initial email password from your departmental office.
- Ultimately you will receive an email from IT Help Desk forwarded through your departmental office with confirmation of ESS account creation and instructions on how to use MyAccount@MU to set-up your password maintenance for myVILLE, Outlook email, D2L, MU Video and ESS.

Who do I call if I have questions about my accounts and passwords?

- Please contact the IT Help Desk at (717)871-7777 for password assistance and to confirm the status of any of your accounts.
- The Help Desk may direct you to either HR or your departmental office depending upon the current stage in the account creation process.

Where do I go to log in?

- www.millersville.edu
- "Faculty and Staff" > "Logins" - this is the Logins and Services Directory OR www.millersville.edu/logins/ directly
- From this directory you will be able to login to most of the web based systems that you will use to do work at the University. You may also find login access to some of these services from other Millersville University webpages.
- Remember your username and password are NOT the same for all Millersville systems.
Help Desk

Help Desk Contact Info

Location: Boyer Building
Phone: 717-871-7777
Email: help@millersville.edu

Classroom Hotline: 717-871-7280
