Using Zoom with other systems, services, and applications

Can I connect Zoom with other systems, services, and applications?

Yes.

For detailed guides on using Zoom with select systems and services, please see:

- Using Microsoft Office 365 with Zoom chat
- Using Zoom from Microsoft Teams
- Using Zoom from Slack

For a list of other approved Zoom apps you can use, please see the Zoom App Marketplace.

Non-approved Apps and Integrations

Doodle

Millersville University do not have a contract or agreement with Doodle, and therefore the Zoom for Doodle app is not available to Millersville University Zoom users. Please use Microsoft FindTime or Calendly instead.
